Membership Sign Up Instructions:

1. Login to your Paw Partner profile.

*Memberships are per family, so if you have multiple dogs you do not need to purchase multiple memberships, choose the option with the number of sessions you want for all of your dogs in your family for the month.

3. If you do not have a card saved on file, it will ask you to Purchase a membership and there you can add your card and optional staff tip. If you do have a card on file, it will ask you to Select Option and you can add a new card, or select a saved card.

4. Now you have a Membership and will see it in the "Currently Active Memberships" section.

*Sessions will be available for your use for one month from date of purchase and will auto renew.

6. Now Book Daycare as you normally would. You can view your balance of credits anytime on your account.
